Washington County Courthouse closes to public, offers curbside service

JONESBOROUGH – Out of an abundance of caution, elected officials made the hard decision to close the Historic Washington County Courthouse to the public beginning on Monday, March 23.

“We cannot effectively serve our citizens if we do not have healthy citizens to provide services,” said Mayor Joe Grandy. “After meeting with elected officials whose offices are housed in the Historic Courthouse, we decided to go this route.”

Employees will be working at the courthouse and providing services, but ask that those who need to conduct business with the county call ahead.

“We will place drop boxes on the lower level of the courthouse at the handicapped entrance for folks to leave documents and payments,” Grandy explained. “We do encourage everyone to check online at washingtoncountyttn.org to conduct business via our Online Services first.”

Governor Bill Lee extended the deadline for obtaining vehicle registration renewals that expire in March and April. The new deadline for obtaining these renewals is June 15, 2020.

Phone numbers for county services are as follows:
